HEALTHCARE MANAGEMENT

*The Leader in Independent Review Services
for Medical & Claims Managers*

AFFORDABLE EXPERTISE

Looking for a trusted partner to provide you with cost effective opinions on medical claims? Take a look at AllMed Healthcare Management. AllMed provides Independent Medical Review services that are prompt, personalized and affordable. We save our clients thousands of dollars on medical claims, while doing what's right for the patient every time.

AllMed is professional, they're prompt, and they're always accessible on the phone. You call them and boom, you get an answer back. When I have a question, they always return my call in just a short amount of time. I highly recommend them.

Cathy Rauscher, IMS Managed Care, Amarillo TX

AllMed is a URAC-accredited Independent Review Organization, serving leading insurance, TPA and medical management companies nation-wide. AllMed provides national coverage with Board-certified physicians and licensed allied healthcare professionals, all in active practice. With more than 140 specialists covering 60+ specialty areas, we quickly resolve even your most difficult claims and appeals.

MAKING THE SMART DECISION

FIVE KEY REASONS FOR CHOOSING ALLMED

1

Fast. We provide 24-48 hour Expedited Reviews and Standard Reviews in 3-7 business days. Want same-day callbacks? AllMed consistently delivers ahead of your deadlines.

2

Unbiased: Our physicians provide objective, evidence-based decisions which adhere to the highest professional standards. We're not afraid to call them as we see them.

3

Responsive. Our Medical Director and staff physicians are readily available to answer client calls, to discuss specific reviews and answer questions.

4

Cost Effective. We save our clients thousands of dollars every day by tightly integrating with their claims management processes.

5

Professional: We lead the industry with our URAC-certified quality management system and full compliance with HIPAA privacy and security requirements.
